Southeast 7th grade students recently toured the State Capitol in Topeka. Mrs. Colvin took a selfie in the lobby area, and Isaac Elkins had to be pulled away from the governor's ceremonial desk, which is covered with a buffalo hide.

Nearly every student climbed the 296 steps to the top of the dome. Unfortunately cool weather, a busy tour schedule, and a swarm of hornets meant they had very little time on the balcony outside.

Congratulations to Southeast seniors Andy Long and Sami Sullivan for being named the 2015 Lancer Football Homecoming King and Queen.

Southeast 8th grader Reece Jacobs takes a break during a recent Mini Lancer Football game. Reece volunteered to do the public address announcing while 7th grade Cade Mitchell handles scoreboard duties. Thanks for helping out guys!

Southeast Elementary school students have been taking turns going to Wood Farm's Pumpkin Patch just outside of Chicopee.

Southeast first grader Chris Markley started burying himself in the corn seed box and Solomon Scott offered to help out.

Students also went on a "spooky" hayrack ride, ran through a corn maze, and of course, picked their own

pumpkins out of the pumpkin patch (Pictured is Kindergarten student Sophia Tavernaro).

The trip is paid for by a donation from the Southeast Elementary School PTO, as well as funds from last year's SES School Carnival.

This year's School Carnival is scheduled for Friday, November 6, from 5:30 p.m. to 7:30 p.m. Santa Claus plans to be in attendance for photos.

Games scheduled for the carnival include a cake walk, duck pond, Feed the Bears and PLINKO. A photo booth will also be available.

Congratulations to Southeast freshman Tanner Craddock for placing 7th at the CNC League Cross Country Meet. To determine State qualifiers, Regionals will be held on Saturday October 24 at Sugar Valley Golf Course in Mound City.

Sub-State for Volleyball will be at Galena High School, also on October 24.
