FIELD TRIPS

Over the past month our students have engaged in many activities off campus. Our 7th graders had the opportunity to travel to Topeka and tour the state capital and the science department took classes to Greenbush. They engaged in a variety of team building exercises and science experiments.

MVC COMPETITION

Last month we started a "Most Valuable Class" competition. After spirit week the 7th grade class is in the lead. This last week we held a canned food drive. There were over 400 items donated. These items will be donated to the food pantries at the Baptist and Methodist Churches. Thank you to everyone who donated.
