

Eighth grade promotion will take place at Southeast Middle School on Friday, June 5th from 6:00-7:00pm.

We ask for your cooperation in abiding by the following social distancing guidelines for this drive through event:

- All families must arrive in vehicles (only one vehicle per family) Cars will need to drive North down Cypress street and enter the West entrance of the middle school and then turn right once in the parking lot.
- Cars will process into the parking lot and eighth grade students will exit the car to get their certificate.
- We ask that all other family members remain in the car. We will have a photographer on site and will provide that picture to families free of charge and you may take pictures from your car.
- Students will then walk down the sidewalk to get pizza and dessert to be served by staff members of the middle school.
- After students have received their food they will return to the vehicle and it will exit the West drive of the parking lot and turn right on to Magnolia.

We look forward to celebrating the success of our students with you!
